Interstate Highway System

- Connects the country and allows movement of products
- Three most important in GA: I-85, I-75, and I-20
  - All connect in Atlanta
- Also I-95

Hartsfield-Jackson Atlanta International Airport

- One of the busiest in the world
- Serves more than 100 million passengers each year
- Enormous amount of cargo is moved through too
- Among the 10 largest air cargo hubs in the US
- Helps to attract major events and additional business
- Employs over 50,000 people a year
- Produces billions of dollars a year

Deepwater Ports

- Able to accommodate enormous international cargo ships
- Ships carry a variety of goods
- Containers are then loaded onto trucks and trains and taken all across GA and the nation
- Two most important to the state—Savannah and Brunswick
- Employed 369,000 people
- Generates $2.3 billion in taxes for local and state governments

Railroads

- Move millions of tons of cargo every year
- GA has the most extensive system in the Southeast
- 5000 miles of track in the state
- Employs 672,630 people
